WWDACT is performing this FlashMob to mark International Women's Day (8th March). It is also one of the concluding events in the Women's Services Network

Summer of Respect' campaign. WWDACT's FlashMob promotes respect for women with disabilities and demonstrates the positive contribution of women with disabilities to the ACT community.

The WWDACT FlashMob is being performed by women with disabilities and their supporters. Participants are volunteers who are passionate about the importance of respecting all people in the ACT and improving community cohesion.
